MacMillan Cake Event

Sept 21-23, 2020

JOIN US FOR OUR VERY FIRST MACMILLAN CAKE EVENT

at Cassio Road Dental
Practice in conjunction
with Mili Roberts of
Cocoa & Crumbs

September is here and that means for a lot of our families, the kids are back in school finally! All parents can breathe a sigh of relief that home schooling has now ended!

The government guidance remains unchanged in respect of routine appointments and we know that you have been keen to book these in. We simply request that you continue to bear with us as we hope to be able to soon report that all routine check-ups can now be booked. We want this to happen as much as you and are waiting for further news.

However, we will now as of this month, have 2 hygienists working so there will be more appointments available. Call and book yours today as appointments will go quickly!

SEPTEMBER 21-23 2020

Macmillan Cake Event

This month, we are very excited to inform you all that for the first time in the history of our practice, we will be hosting a MacMillan Cake Event in support of MacMillan Cancer Support. We felt that we wanted to support this charity for all the excellent work that they do, and especially considering the recent lockdown and the inevitable impact this would have had on patients who were unable to access this support. There has been so much sad news in recent months and we wanted to bring a feel good factor to all our patients and to reach out to our local community and so for the first time, we are prepared to go against our own advice and say that on this occasion, cake is good for you!

For those of you familiar with MacMillan Coffee Mornings, we have adapted ours slightly to suit the current climate so we will not be able to offer coffee but there will be cupcakes a plenty so come on down!

Our event will be held over 3 days between the 21st and 23rd September 2020, to give our patients the opportunity to sample the wonderful treats that we will be handing out in return for a small donation to MacMillan. In order to support us for this wonderful event, we have teamed up with our local resident Mili Roberts, of Cocoa and Crumbs who is an exceptionally talented baker and also a patient at our practice. Mili has kindly agreed to donate her cakes to us in support of this. Please do check out her work on her Facebook and Instagram pages @cocoaandcrumbs or better still come and sample her wonderful delights!

We look forward to welcoming you here soon.
