Monthly newsletter of Cassio Road Dental Practice

Welcome to the festive December edition of our newsletter. A lot has been going on behind the scenes and we have great news for you all!

As we emerge this month from the second national lockdown, we are thankful that we were able to remain open this time to serve the needs of our patients, and very much hope that going forward, COVID-19 does not force us to shut our doors once again in 2021.

As we near the end of 2020, we'd like to take a moment to reach out to all of you. We sincerely hope that you are enjoying our monthly newsletters which are designed to keep you abreast of all the developments at the practice.

DECEMBER 2020

Latest Updates..

We are fully open for routine check-ups, treatments, and examinations and as of this month, we will be reverting back to working at almost full capacity. So, if you've been putting off your routine check-up, now's the time to call and get it booked in, ready for any seasonal festivities you may have planned! Once again, we reiterate that we have several COVID safe measures in place and if you are unsure then please watch this video which demonstrates how we are now working.

Please note that due to the changes we have had to implement to our working practices, dentists will no longer be able to offer you the scale and polish service that may have been previously undertaken as part of your routine checkup.

This is due to this particular procedure involving the use of ultrasonic scaling, thereby being classified as an 'AGP' or Aerosol Generating Procedure, requiring a different, higher category of PPE to be worn during the appointment. If such treatment is necessary, the dentist will advise you to make an appointment with one of our hygienists for a longer appointment. The appropriate fees for any hygiene appointment will also be applied.

Finally, we'd like to take this opportunity to convey our heartfelt wishes to all our patients for a wonderful Christmas with your family, friends and loved ones. We wish you good health and prosperity for the forthcoming year, and we look forward to seeing you in the New Year.

Merry Christmas from the Team at Cassio Road Dental Practice
